Logline

A treasure hunter and his quirky team take a trip into the occult to find Hitler's ashes before the leader of a Nazi cult beats them to it and changes the world.

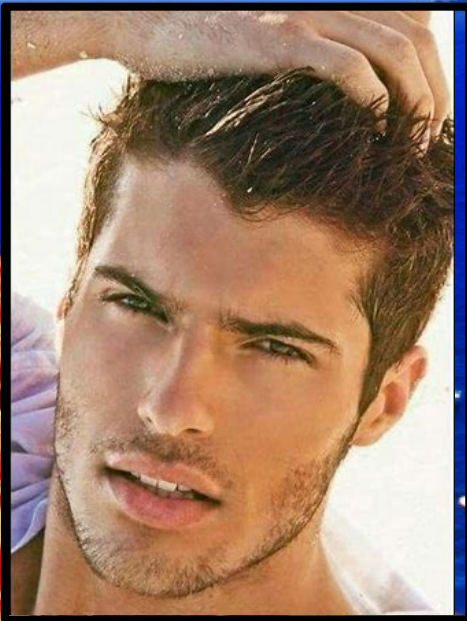

Coverage

Treasure has a real humanity as we get to know the treasure hunting team and what really drives them.

The fast-paced action keeps us interested; we want to discover the answers right along with the team.

Blake

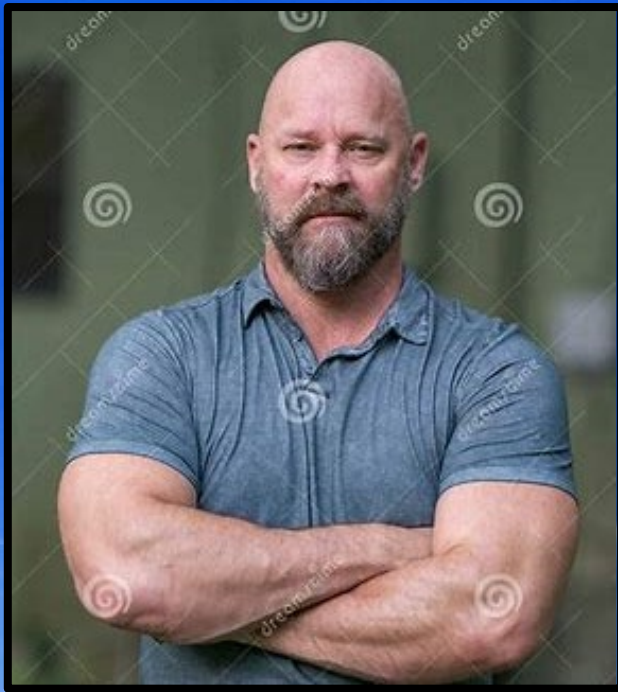

Lothar

Meet Treasure Hunter **BLAKE**
DERGIN.

On his last adventure his rival,
LOTHAR BRAUN, Nazi cult leader,
stole his find.

Fritzzy

Nick

Lothar's thug, FRITZY, wounded Blake. Blake isn't sure he wants to go on another hunt, but --

Blake's father, NICK DERGIN, wealthy collector, gets a letter announcing an auction for a diary which could lead to Hitler's ashes.

The ashes are reputed to bequeath supernatural power.

At his father's urging, Blake must challenge the occult and be the one to get the ash first.

Josh

Margo

Zeek

Nick forms a team to be led by Blake;

Josh, a doctor specializing in DNA;

Zeek, an occult author into too many women;

And Margo, gorgeous psychic whose visions have provided many leads before.

Margo suffers from frequent headaches and hallucinations from those visions.

She's also Blake's ex, and he cares for her.

Benito

Emilio

The team arrives in Italy for the auction, to be held at a luxury Inn run by BENITO MAGLIA.

Before the bidding is complete the diary is stolen.

Blake's fisherman friend EMELIO, known for being able to fence items, provides a clue.

Perla

Three Urns

They follow the trail, which leads to a dead end.

The team perseveres, unearths another clue which leads them to PERLA, owner of a gift shop full of urns and occult objects.

They discover three urns and the team determines that one of them contains the ashes.

Seance

It seems every occult believer is after the ash.

Lothar shows up, holds the team at gun point, takes the ashes from each of the urns, places them in his own three containers, and escapes.

Blake wants to pursue, but Margo has a vision and wants to conduct a séance.

Blake, his love for Margo returning, is concerned for her health, but allows it.

On the tarmac

Somebody throws the ashes
into an engine.

The bizarre séance led by Margo reveals that the ashes are baked into *the material of one of the urns left behind.*

Blake has a dilemma; please his father and take him the urn, or destroy it to protect mankind.

But, someone in Blake's team has his own idea –

Which leads to an action filled finale at night on the tarmac of the airport.!

Penned by optioned screenwriter Robert C. Powers, Treasure of the Black Sun is a classic action/adventure story. What every producer looks for – an engrossing story with the potential for high pay-off.

We look forward to working with you.
